THE HERKIMER® STORY

The Original Herkimer County Cheese Company was founded in 1949 by Mr. and Mrs. Sheldon Basloe. Since that time we have earned a national reputation for our finely crafted artisan cheeses, carrying the proud Herkimer tradition forward into the 21st Century.

We believe in making the highest quality of specialty cheese products, and we still craft our products in the same meticulous way we always have. We start with premium ingredients, sourced locally whenever possible. We carefully craft our dips and spreads in small batches. Our premium cheese balls and logs are made and wrapped by hand. All of our aged NY State cheddar is hand-cut and dipped in black wax.

Experience for yourself the tasteful tradition of Original Herkimer Cheese®.
